#### **DISCUSS**

1. Regardless of whether or not you are a parent, what is your big "take away" from the parenting series? What stood out to you and why?

2. Describe your relationship with your grandparents? Talk about the impact they had on your life (for good or for bad).

3. As a parent, how important is the role of your parents in the lives of your kids? Why?

4. Read Prov. 29:15-18 and discuss the importance of vision.

5. Speaking to grandparents, Pastor Patrick said that the parenting series was as much or more about the days ahead of them than it was about the days behind them. What did he mean by that?

6. Pastor Patrick talked about finishing the race, about living with our last day in mind. Whether you're a parent, grandparent or not, discuss the implications of finishing the race well.

7. What immediate applications can be made in light of this text?
